

UNIFORMS

Uniforms are given out in a specific order to ensure cadets who need the uniform right away are given priority. Listed below is how uniforms are issued here at Detachment 592.

First Priority - AS250 Cadets (New to the Program but taking AS100 & AS200 together to catch up and will be attending FT during the next summer session).

Second Priority - AS100 Scholarship Cadets

Third Priority - All other Cadets

We are an Issue-In-Kind Program school for uniforms which means cadets cannot be issued uniforms until after the 60th Day in the program. This is to protect government funds. Also any cadet who does not meet Body Fat Standards which is 20% or less for males and 28% or less for females or who is a Special Student will not be issued uniforms.

The new Airman Battle Uniform (ABU) which is replacing the old Battle Dress Uniform (BDU) will be phased in over this year (2009) starting with POC and working our way down the line. Cadets are authorized to purchase their own uniforms at their own expense but if you do so you will not be issued that uniform from us unless we have extra in stock, which is rare.

The following is what is issued for each type of Uniform:
